SafelyBackHome Enrollment Forms

Thank you for taking the initiative to be a part of Rutherford's SafelyBackHome program.

Safely Back Home™ is an innovative program that provides additional peace of mind to families and caregivers of people who wander. The **Safely Back Home™** patent-pending process uses ID information imprinted on personal garments to help the public assist an individual who has become lost.

Safely Back Home™ custom imprints your loved one's clothing with emergency contact information. If your family member wanders, the custom imprint enables the public to help your family member get safely back home.

When an individual who wanders and appears lost is wearing a **Safely Back Home™** imprinted garment, the person who finds them can quickly contact RPD with location details.

Safely Back Home™ custom imprinted garments provide additional safety for your family member. You will know that they have SPECIFIC contact information with them which can easily be seen by rescuers.

Safely Back Home™ will custom imprint **6 (Six)** new or used personal clothing items per applicant for **FREE**. Imprints include emergency information to assist in the rescue. Any additional imprints will cost \$ 12.00 per shirt / garment.
