

FOR CAREGIVERS OF INDIVIDUALS WHO TEND TO WANDER AND MAY BECOME LOST

Safely Back Home™

in cooperation with

The Mahwah Police Department

is offering

FREE

Garment Imprinting of Emergency Contact Information

If you know someone who has Alzheimer's or Dementia, who tends to wander and may become lost, this FREE Mahwah Police Department-Safely Back Home program can help. Also, if you know someone who sometimes falls and may become unconscious, this program can help. Free enrollment forms are available through the Mahwah Police Department, Sergeant Blondin (www.safelybackhome@mahwahpd.org).

Please bring to the Mahwah Police Department (MPD): three clothing items, new or existing, which the person will enjoy wearing (shirts, blouses, sweatshirts, jackets, shorts, pants, pajamas, etc). Safely Back Home will professionally imprint the clothing for free with the person's MPD emergency contact information. If the person wanders and becomes lost, or if they experience a fall, the Mahwah Police and concerned citizens will be able to assist in their rescue and return to their family.

For Questions: Please contact Paul Jetter, Safely Back Home
201-874-4054 | pjetter@safelybackhome.org.

Or contact Mahwah Police Sergeant Michael Blondin: (201) 529-1000 ext. 210
www.safelybackhome@mahwahpd.org

The imprint is very soft and is wash-proof

In partnership with Project Lifesaver® International, it is Safely Back Home's™ mission to: provide an additional layer of protection for children and adults who wander due to Autism, Alzheimer's and other cognitive disabilities. Our goal is to provide parents and caregivers with additional peace of mind.

PROJECT LIFESAVER® INTERNATIONAL IS A REGISTERED 501(c)(3) NON-Profit and has rescued over 3,000 lost individuals
